

## Phoning the Landlord

**Landlord:** Hello?

**Tenant:** Hello. My name is \_\_\_\_\_.

I live in Apartment 105.

My stove is broken.

Can you come and fix it?

**Landlord:** OK. Are you home this evening?

**Tenant:** Yes I am.

**Landlord:** Good. I'll see you around 7:00 tonight.

**Tenant:** Thanks, Bye.

Practice again with new problems:

1. My toilet is plugged.
2. My lock is broken.
3. My fridge is broken.
4. My apartment is very cold.
5. My sink is leaking.
