

I just moved into an apartment and my stove is not working.  
What should I do?

I own my own house. My roof is leaking when it rains.  
What should I do?

I want to have a big party at my apartment next Saturday and invite  
30 friends. My friends are very loud and like to dance and sing for  
hours. What should I do?

I am looking for an apartment to rent. I found one I really like but the  
landlord told me he does not like to rent to Indians because he does  
not like the smell of our cooking. What should I do?

The lock is not working on the front door of my new house I bought.  
What should I do?

My apartment is really cold all the time. I told my landlord but he said  
to just wear a sweater. What should I do?

My son got very mad last week and kicked in the wall in our apartment.  
There is now a big hole. My landlord said I have to pay to get it fixed.  
I don't agree. What should I do?

Our new house is great. But the washing machine is not working.  
What should I do?

I have many problems in my apartment with broken appliances and other problems. But my landlord never comes to fix anything.  
What should I do?

My fridge broke in my apartment. Do I buy a new one?  
What should I do?

I didn't have enough money to pay the rent the last 2 months. My landlord said I have to pay immediately. I don't think that's fair. I don't have enough money right now and he should be more patient.  
What should I do?

The sink in my house is leaking.  
What should I do?

My landlord comes into my apartment when I am at work. Sometimes I come home from work and find him in my apartment. He says he is just looking around. What should I do?

I signed the lease to my apartment for one year but now I have changed my mind. I want to move to a different neighborhood. My landlord says I have to honor my lease. I think I will just leave anyway. What should I do?

I am very worried. I think my new house has bed bugs.  
What should I do?
