

<p><b>Unit: Health</b> <b>MB Health Card; Covered and Not Covered</b></p>
<p><b>Objective</b></p>
<p><b>Objective</b> – Ps will identify services offered by MB Health (“Covered”) and which ones they have to pay for (“Not Covered”)</p>
<p><b>Materials</b></p>
<ul style="list-style-type: none"> <li>• <b>Large MB Health Services picture flashcards</b></li> <li>• <b>Worksheet - What is covered by MB Health Card</b></li> <li>• <b>MB Health Card Sample</b></li> <li>• <b>Paper money (from Money Kit)</b></li> </ul>
<p><b>Step 1 Warm Up (15 minutes)</b></p>
<p><b>What is a MB health card?</b></p> <ul style="list-style-type: none"> <li>• Show the picture of the <b>MB Health Card sample</b> and ask the Ps what it is. Write the words Manitoba (MB) Health Card on the board.</li> <li>• Ask for them to get out their MB health cards. Can they find their names on it? Can they identify any other information on it?</li> <li>• What is the card for? Can they name a reason we have the card?</li> </ul>
<p><b>Step 2 Work out (30 minutes)</b></p>
<p><b>What is covered by MB Health:</b></p> <ul style="list-style-type: none"> <li>• Take out <b>the Large MB Health Picture Flashcards</b> and show the first one (Hospital).</li> <li>• Ask when they have to go to hospital do they pay money or is it free? Put on the board on one side a dollar sign (\$) and on the other the dollar sign with a line through it.</li> <li>• Put the hospital flashcard under the free side and say, “no money”, “government pay”, “hospital covered”, or whatever you need to get them to understand.</li> <li>• You may use paper money to get the point across.</li> <li>• Continue with the next flashcard (eye doctor). It is on the \$ side for adults but is covered for under 19 and over 65 years of age.</li> <li>• Continue with each flashcard until you have discussed what is covered and what is not in MB.</li> </ul>

- Go back and review with each picture on the board.
- Hand out the **Worksheet What is Covered by MB Health Card** and do it with them as you walk them through each one and show them where to check.

### Step 3 Cool Down (15 minutes)

#### Review:

- Hold up one of the **Large MB Health Picture Flashcards** and ask them what it is. Ask them if it covered or not. Pick a Ps to come and up and show you which sided of the board it belongs on.
- Repeat with different cards and different Ps.
