

"I want to deposit \$_____ to my savings/chequing account."
Or "I want to withdraw \$_____dollars from my chequing account."

1. How much is it? \$_____

2. How much is it? \$_____

3. How much is it? \$_____

4. How much is it? \$_____

5. How much is it? \$_____

Fill out the chart above with the correct amount of money. Then with a partner practice the dialogue below. One time deposit into your chequing and another withdraw from your savings. Where the dialogue is underlined is where you will be substituting different words.

Role play: At the bank

Customer: I want to deposit \$100.

Teller: To which account?

Customer: My savings account please.

Teller: Please enter your PIN here.

Customer: Sure.

Teller: Ok. I have deposited \$100.00 into your savings account.
Please sign here.

Customer: Ok.

Teller: Anything else we can for you today?

Customer: No thanks. Bye.

Role play: At the bank

Customer: I want to withdraw \$100.

Teller: **From** which account?

Customer: My chequing account please.

Teller: Please enter your PIN here.

Customer: Sure.

Teller: What kind of bills would you like?

Customer: All twenties please.

Teller: Here you go. 20, 40, 60, 80, 100. Anything else we can do for you today?

Customer: No thanks. Bye.
