

## Draw a Line between the picture and description

Mask must cover both nose and chin.

Bend to fit around nose (if mask has this).

Wash your hands for 20 seconds.

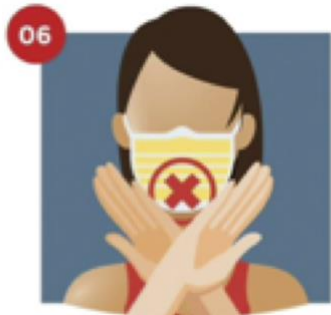

Put mask on by holding ties. Make sure there are NO gaps.

Hold mask by edges with the nose side up.

## Draw a Line between the picture and description

Wash hands before removing.

Clean in washing machine before wearing again. Only wear it once.

Don't touch the mask while you have it on.

Wash your hands a final time.

Remove using the ties.
